

Distance learning:

Hi Students! I miss your faces!

Below you will find bulleted notes hopefully answering some questions that you have. In the lesson plan grid is what you could do for each class period.

- Each day there is a suggested assignment. However, you have the week to complete.
- I will be grading assignments on Friday. You will receive a grade for completion.
- I will hold “office hours” from 9 am - 11 am each day. You can email questions or try to get a hold of me in google hangouts during my “office hours”.
- Please take a picture of completed work and email to me. . Please call ahead for an appointment time.

| 4/14-4/17 Week 4 | <u>Period 1</u> Reading | <u>Period 2</u> Social Studies | <u>Period 3</u> English | <u>Period 4</u> Math | <u>Period 6</u> Computer | <u>Period 8</u> Science |
|-------------------------------|--|---|---|---|---|---|
| Non Technology Options | Reading Comprehension 2-3 <ul style="list-style-type: none"> - Read the story to student - Then ask students the questions that follow. - If a student gets it wrong, eliminate answer choices until right. - Take picture submit on google classroom. | Read Legislation, Judicial, Executive <ul style="list-style-type: none"> - Then ask students the questions that follow. - If a student gets it wrong, eliminate answer choices until right.
