

Hi Students! I miss your faces!

Below you will find bulleted notes hopefully answering some questions that you have. In the lesson plan grid is what you could do for each class period.

- Each day there is a suggested assignment. However, you have the week to complete.
- I will be grading assignments on Friday. You will receive a grade for completion.
- Google classroom RR Math has the Math worksheet. For submitting work. Just email me and let me if he has completed. katie.batson@k12.sd.us
- I will hold “office hours” from 9 am - 11 am each day. You can email questions or try to get a hold of me in google hangouts during my “office hours”.
- There is a non-technology option (i.e. printable version) below for each class. If you choose this option, please take a picture of completed work and email to me. If you can’t print, notify the Middle School office and one will be printed for you; available for pickup. Please call ahead for an appointment time.

3/24 - 3/27 Distance Learning Wk. 1	Period 1 Reading	Period 2 Social Studies	Period 3 English	Period 4 Math	Period 6 Computer	Period 8 Science
Online	ABC mouse.com learning path for 20min https://www.abcmouse.com/html5#abc/student_home	Go to True Flex and click on My United States. Find South Dakota and watch video.
