

Distance learning:

Hi Students! I miss your faces!

Below you will find bulleted notes hopefully answering some questions that you have. In the lesson plan grid is what you could do for each class period.

- Each day there is a suggested assignment. However, you have the week to complete.
- I will be grading assignments on Friday. You will receive a grade for completion.
- I will hold “office hours” from 9 am - 11 am each day. You can email questions or try to get a hold of me in google hangouts during my “office hours”.
- Please take a picture of completed work and email to me. . Please call ahead for an appointment time.
