

Hi Students! I miss your faces!

Below you will find bulleted notes hopefully answering some questions that you have. In the lesson plan grid, find your class and the requirements for the week!

- Each day there is a suggested assignment. However, you have the week to complete.
- I will be grading assignments on Friday.. You will receive a grade for completion, for complete sentences (capitals & punctuation), and content.
- Submit assignments online through Google classroom.
- I will hold “office hours” from 9 am - 11 am each day. You can email questions, join in video conference through ZOOM (for 7th and 8th grade), and occasionally participate in Google hangouts. The way to contact me will be on the lesson plan for the week and I will email my upper classmen the time and link for our class ZOOM.
- There is a non-technology option (i.e. printable version) below for each class. If you choose this option, please take a picture of completed work and email to me. If you can’t print, notify the Middle School office and one will be printed for you; available for pickup. Please call ahead for an appointment time.
